

## DENEB ALGEDI

Offerings from this series are excellent tools for protection, pragmatism, and world building. They repel thieves and those with ill intent, keeping your home and assets safe, and averting the evil eye. They draw wealth and reinforce boundaries between yourself and the outside world. They grant the favor of those in power and the law, encouraging fairer treatment and more productive exchanges with law enforcement and the justice system. They promote personal morality and right living.

**Deneb Algedi can be used to:** Reinforce boundaries, literal and metaphorical; ward the home and property against intruders; avert the evil eye; consecrate and empower evil eye wards; ground the mind and body in reality; encourage pragmatism and dutiful engagement; reduce whinging; increase personal responsibility; find good legal representation; promote fairer treatment by law enforcement and the justice system; being found innocent or reducing sentence severity; repelling thieves; reducing oversharing; consolidating power, assets, and wealth; drawing money; works of money magic; becoming worthy of the empowerments you seek; living responsibly.

**Note:** In right accord with elements of Deneb Algedi's intimidating and off-putting nature, some of the items from the series... smell like it. The charge is stoic and heavy, and it may take time to establish a comfortable rapport — it's worth pushing through that discomfort and learning to work with, as those same energies will repel those who wish you ill, or would take what's yours.

**Law Enforcement + Legality:** While the star brings the favor of the law, it also *brings the law*. You may see more police officers or note an uptick in exchanges with law enforcement and bureaucracy. Divine on your use of Deneb Algedi under conditions where illegal activities do or may take place.

**Practical Applications:** Use these offerings to ward thresholds or boundaries; wear on your person when you enter situations that are likely to inspire envy, especially if it's related to money making, for instance when vending or public appearances. Wear to court, during depositions, or encounters with police and legal representatives. Smoke or anoint legal documents and letters to judges or decision makers in power. Wear to promote clear thinking, groundedness, reinforce boundaries, and limit emotional reactions, to encourage responsible behavior. Spray on your teenagers ;)

**Orphic Hymn:** The Orphic Hymns are prayers to certain Gods and Planetary powers. They can be used for propitiation and to gain favor. There is one to the Stars, lightly modified to specify Deneb Algedi below. For more on formulating prayers to fixed stars, see Austin Coppock's "A Feast of Starlight" from the anthology *The Celestial Art*.

*With holy voice I call Deneb Algedi on high, pure sacred light and genii of the sky.  
Celestial star, the progeny of Night, in whirling circles beaming far your light,  
Refulgent rays around the heav'ns ye throw, eternal fires, the source of all below.  
With flames significant of Fate ye shine, and aptly rule for men a path divine.  
In seven bright zones ye run with wand'ring flames,  
and heaven and earth compose your lucid frames:  
With course unwearied, pure and fiery bright forever shining thro' the veil of Night.  
Hail twinkling, joyful, ever wakeful fire! Propitious shine on all my just desires;  
These sacred rites regard with conscious rays, and end our works devoted to your praise.*
